ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

37 April 28, 2015

PATRICK OGAWA
ACTING EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL OF A SUBRECIPIENT AGREEMENT WITH THE CITY
OF LOS ANGELES FOR THE SECURING THE CITIES PROGRAM AND
APPROVE AN APPROPRIATION ADJUSTMENT
(ALL DISTRICTS) (4 VOTES)**

SUBJECT

The Los Angeles County (County) Sheriff's Department (Department) seeks approval of the Subrecipient Agreement (Agreement) with City of Los Angeles (City) in the amount of \$240,100 and approve an Appropriation Adjustment. The Agreement will allow the Department to assist the City through the Mayor's Office in developing a regional structure of law enforcement and first responder organizations to identify, prevent, and respond to potential nuclear and radiological threats in the Los Angeles/Long Beach Urban Area, Securing The Cities Program (STC Program). The STC Program is funded by the United States Department of Homeland Security (DHS) through its Domestic Nuclear Detection Office (Grantor).

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Sheriff to execute the attached Agreement to allow for the reimbursement by grant funds of Department personnel costs and use of City equipment for participation in the STC Program in the amount not to exceed \$240,100. The term of the Agreement shall be from January 1, 2013, to July 15, 2015.
2. Approve an appropriation adjustment in the amount of \$240,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Department seeks approval of the Agreement to assist the City in developing a regional structure of law enforcement and first responder organizations to identify, prevent, and respond to potential nuclear and radiological threats in the Los Angeles/Long Beach Urban Area.

On January 10, 2014, the Department and the City entered into a Memorandum of Understanding (MOU) setting forth the terms and conditions of the Department's participation in the STC Program. The MOU has no fiscal impact to the County. The purpose of the MOU is to include the Department as a participant in the STC Program, identify the goals and responsibilities of the participants, and delegate the Mayor's Office as the primary applicant and recipient of the grant funds. As a participating agency in the STC Program, the Department shall be reimbursed under the Agreement for training and exercise-related personnel expenses, and shall have use of equipment purchased with grant funds.

The Los Angeles Police Department, Los Angeles Fire Department, Los Angeles Airport Police Department, Los Angeles Port Police Department, Los Angeles County Fire Department, Los Angeles County Department of Public Health, Orange County Sheriff's Department, and California Highway Patrol are also identified as participant agencies to receive STC Program grant funding.

Implementation of Strategic Plan Goals

Approval of the Agreement relates to the County's Strategic Plan, Goal 3, Integrated Services Delivery. Participation in the STC Program leverages resources from the Department, City, and other local agencies to enhance public safety throughout the County by interdicting illicit radiation.

FISCAL IMPACT/FINANCING

The Department will ensure designated representatives attend all training and exercises as required by the Grantor and as set forth in the STC Program's Multi-Year Training and Exercise Plan (MYTEP). The Department shall be reimbursed for personnel expenses associated with the attendance and participation of the Department's designated representatives in any MYTEP training and/or exercise. Reimbursement shall be strictly limited to backfill and overtime costs directly resulting from the Department's designated representative's attendance and participation at such MYTEP training and/or exercise, and shall be reimbursed at a rate and amount as approved by the Mayor's Office and the Grantor.

Equipment selected for purchase by the City with grant funds shall be in accordance with the STC Program's equipment plan. The Department's designated representatives shall have the right to participate in the STC Program subcommittee tasked with the development of the equipment plan.

The City will reimburse the Department using grant funds to defray the Department's personnel expenses associated with the STC Program. The recommended action will provide an Appropriation Adjustment in the amount of \$240,000. Future grant funds to be allocated to the Department are currently unknown, and will be agreed upon by the participating agencies each year. Therefore, in each subsequent fiscal year, the Department will return to the Board for approval of an amendment to this Agreement or a new agreement, as required by the City, for grant funds specific to that future fiscal year. Reimbursement claims for expenses will be submitted monthly.

The Department has not, and will not, expend any funds under the Agreement, and will not accept any future grant funds, without Board approval.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Department acknowledges and agrees that the Mayor's Office, as the primary applicant and recipient of the grant, is the sole fiscal agent and lead agency with regards to the use of grant funds in the STC Program, and that all fiscal and administrative matters regarding the use of grant funds shall be managed and overseen by the Mayor's Office. The Mayor's Office will provide the Department with radiation detection equipment, which shall be used by trained personnel on a daily basis. Department personnel participating in the STC Program will receive appropriate training in radiation interdiction. Reimbursement for this training will be funded by the Mayor's Office through backfill overtime. All grant funds will be utilized in accordance with the terms of the Agreement.

Each party in this Agreement indemnifies and holds harmless the other party for any loss, costs, or expenses that may be imposed upon such other party by virtue of Government Code Section 895.2, which imposes joint civil liability upon public entities solely by reason of such entities being parties to an agreement, as defined by Government Code Section 895.

The attached Agreement has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

None. The Department will receive training and equipment to conduct radiation safety operations to safeguard the operational area against dirty bombs and nuclear weapons.

CONCLUSION

Upon Board approval, it is requested that the Executive Officer-Clerk of the Board return one original executed copy of the Board letter to the Department's Homeland Security Division.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim McDonnell". The signature is stylized with a large, looping initial "J" and a cursive "McDonnell".

Grantor shall determine how the rights in the Invention, including rights under any patent issued thereon, will be allocated and administered in order to protect the public interest consistent with the policy ("Policy") embodied in the following Requirements, without limitation: Federal Acquisition Regulations System, which is based on Ch. 18 of Title 35 U.S.C. Sections 200 et seq. (Pub. L. 95-517, Pub. L. 98-620, 37 CFR part 401); Presidential Memorandum on Government Patent Policy to the Heads of the Executive Departments and Agencies, dated 2/18/1983; government-wide regulations issued by the U.S. Department of Commerce codified in 37 CFR Part 401; EO 12591 dated April 10, 1987; EO 12618 dated December 22, 1987. Subrecipient hereby agrees to be bound by the Policy, will contractually require its personnel to be bound by the Policy, and will consult with Grantor regarding allocation of any patent rights that arise from, or are purchased with, Grant Funds. City and Grantor shall have an unencumbered right, and a non-exclusive, irrevocable, royalty-free license, to use, manufacture, improve upon, and allow others to do so for all government purposes, any Invention developed under this Agreement.
2. When copyrightable material ("Material") is first produced or developed as part of a project funded by Grant Funds, the Grantor, at its discretion, may copyright the Material. If the Grantor declines to copyright the Material, the Grantor and the City shall have an unencumbered right, and a non-exclusive, irrevocable, royalty-free license, to reproduce, display, publish, disseminate, perform, prepare derivative works or otherwise use, and authorize others to use, for all government purposes: (a) any Material so produced or developed and (b) any rights of copyright to which Subrecipient purchases ownership with Grant Funds. Subrecipient shall affix the applicable copyright notices of 17 U.S.C. §401 or §402 and an acknowledgement of government sponsorship (including Grant award number) to any Material first produced or developed under this Grant. All publications produced with funding from Grant Funds which are submitted for publication in any magazine, journal,

or trade papers shall carry statements of acknowledgment and disclaimers as required by the Grantor under the Grant Requirements.

3. The Grantor shall have unlimited rights or copyright license to any data first produced or delivered under this Agreement or to any scientific, technical, or other copyright work based on or containing data first produced under this Agreement, including those works published in academic, technical or professional journals, symposia proceedings, or similar works. "Unlimited rights" means the right to use, disclose, reproduce, prepare derivative works, distribute copies to the public, and perform and display publicly, or permit others to do so. Where the data are not first produced under this Agreement or are published copyrighted data with the notice of 17 U.S.C. Section 401 or 402, the Grantor acquires the data under a copyright license as set forth in 48 CFR 27.404(f)(2) instead of unlimited rights. (48 CFR 27.404(a)).
4. Subrecipient shall require all its contractors and subcontractors funded by Grant Funds to comply with the obligations of this section by incorporating the terms of this section into all contracts and subcontracts. The provisions of this Section X shall survive termination of this Agreement.

Y. Noncompliance

Subrecipient understands that failure to comply with any of the above assurances or the Grant Assurances attached hereto as Exhibit E may result in suspension, termination or reduction of Grant Funds, and repayment by Subrecipient to City of any unlawful expenditures. Subrecipient shall be liable to the Grantor for any funds the Grantor determines that Subrecipient used in violation of these Grant Assurances and Subrecipient shall indemnify and hold harmless the City for any sums the Grantor determines Subrecipient used in violation of the Grant Assurances. The provisions of this paragraph shall survive termination of this Agreement.

V.
DEFAULTS, AMENDMENTS, AND AGREEMENT

§501. Defaults

Should Subrecipient fail for any reason to comply with the contractual obligations of this Agreement within the time specified by this Agreement, the City reserves the right to terminate the Agreement, reserving all rights under state and federal law.

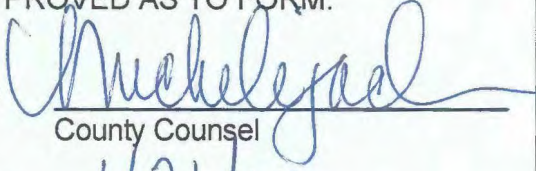

§502. Amendments

Any change in the terms of this Agreement, including changes in the services to be performed by Subrecipient, and any increase or decrease in the amount of compensation/allocation which are agreed to by the City and Subrecipient shall be incorporated into this Agreement by a written amendment properly executed and signed by the person authorized to bind the parties thereto. Subrecipient agrees to comply with all future City Directives, or any rules, amendments or requirements promulgated by the City affecting this Agreement.

§503. Complete Agreement

This Agreement sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous agreements or understandings, whether written or oral, relating thereto. This Agreement may be amended only as provided for herein and neither verbal agreement nor conversation with any officer or employee of either party shall affect or modify any of the terms and conditions of this Agreement. This Agreement is executed in two (2) duplicate originals, each of which is deemed to be an original. This Agreement includes thirty-two (32) pages and five (5) Exhibits which constitute the entire understanding and agreement of the parties.

**LOS ANGELES/LONG BEACH UASI REGION
SECURING THE CITIES PROGRAM**

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is made and entered into by and among the various public agencies executing this MOU (each a "Participant" and collectively, "Participants"). The initial Participants are: The City of Los Angeles Mayor's Office ("LA Mayor's Office"), the City of Los Angeles Police Department ("LAPD"), the County of Los Angeles Sheriff's Department ("LACSD"), the County of Orange Sheriff's Department ("OCSD"), the Los Angeles Harbor Department Port Police ("LAHPP"), the City of Long Beach Police Department ("LBPD"), the State of California Highway Patrol ("CHP"), Los Angeles World Airport Police Department ("LAWAPD"), City of Los Angeles Fire Department ("LAFD"), the County of Los Angeles Fire Department ("LACFD") and the County of Los Angeles Public Health Department ("LACPHD"). Additional public agencies shall become Participants by executing this MOU thereafter. This MOU memorializes the participation of the Participants in the Securing the Cities ("STC") Program for the Los Angeles/Long Beach Urban Area ("LA/LB UA") region.

I. Background and Purpose

The STC Program is a program of the United States Department of Homeland Security ("DHS") and is overseen by its Domestic Nuclear Detection Office ("DNDO" and along with DHS, collectively the "Grantor"). Through the STC Program, the Grantor assists high-risk urban areas in developing and enhancing capabilities to detect, report and prevent the unauthorized presence and use of radiological and nuclear materials.

The Grantor has agreed to partner with the LA Mayor's Office to expand the STC Program to the LA/LB UA. The goal of the LA/LB UA STC Program (the "Program") will be to develop a regional structure of law enforcement and first responder organizations to identify, prevent and respond to potential nuclear and radiological threats. Under the Program, the LA Mayor's Office will work with the Grantor in overseeing the cooperative efforts of Program Participants in developing and enhancing each Participant's and the broader LA/LB UA region's nuclear and radiological detection and interdiction capabilities. The Grantor will assist in this effort by conducting trainings and exercises for the Program Participants and by awarding annual STC Grant funds (the "Grant") to the LA Mayor's Office for use in the Program. As a precondition to the receipt of Grant funds and other Grantor assistance, Grantor requires Participants in the Program to execute an MOU to memorialize each Participant's commitment to participating in the Program.

II. Program Operation

A. Participation

1. The initial Participants of the Program shall be: The City of Los Angeles Mayor's Office ("Mayor's Office"), the City of Los Angeles Police Department ("LAPD"), the County of Los Angeles Sheriff's Department ("LACSD"), the County of Orange Sheriff's Department ("OCSD"), the Los Angeles Harbor Department Port Police ("LAHPP"), the City of Long Beach Police Department ("LBPD"), the State of California Highway Patrol ("CHP"), Los Angeles World Airport Police Department ("LAWAPD"), City of Los Angeles Fire Department ("LAFD"), the County of Los Angeles Fire Department ("LACFD") and the County of Los Angeles Public Health Department ("LACPHD").
2. The inclusion of any other additional participants into the Program shall be duly considered and approved by vote by the initial Participants at a Program meeting. Any such approved new Participant shall execute this MOU prior to participating in the Program.
3. Each Participant shall designate an authorized representative who is an employee (sworn or non-sworn) of such Participant to attend all Program meetings and events. Program meetings shall occur approximately every two weeks. Decisions to dedicate, appoint and/or control a Participant's personnel involved in the Program shall rest exclusively with that respective Participant.

B. Participant Responsibilities – As a Participant in the Program, each Participant shall:

1. Use good faith efforts to (a) minimize any absence of its designated representative at all Program meetings and activities; and (b) participate in such meetings and activities in accordance with each Participant's policies, procedures and protocols.
2. Assist in identifying current needs for establishing a radiological and nuclear detection program in the LA/LB UA region.
3. Collaborate in developing and drafting protocols, procedures, plans, and concept of operations to enhance (a)

data collection and sharing capabilities among the Participants and (b) coordinated enforcement, operations and responses to a radiological and nuclear incident in the LA/LB UA, all of which shall be subject to adoption by each Participant in its respective discretion.

4. Collect, share and analyze intelligence, information and resources to predict, prevent, respond to, adjudicate, report and archive the illicit use, storage or movement of radiological materials in the LA/LB UA and the Orange County region, subject to compliance with each Participant's policies, procedures and protocols.
5. Require its designated personnel to attend any training and exercises as may be deemed necessary for participation in the Program by the Grantor and the Participants.
6. Comply with any mutual aid agreements as may be agreed to by Participants and work with established Federal, State and local agency partnerships to support coordinated Program operations and mutual aid.
7. Provide assistance, as approved by each Participant, in the establishment of a dedicated STC command and control center at the LAPD's Real-Time Analysis and Critical Response Division ("RACR").
8. Deploy equipment purchased by Grant funds in a manner as agreed to by each Participant and the LA Mayor's Office.

C. Fiscal Agent

As the primary applicant and recipient of the Grant, the LA Mayor's Office shall be the fiscal agent and the lead agency with regard to the use of Grant funds in the Program. All fiscal matters regarding the Grant funds and the daily administration of the Grant and use of Grant funds in the Program shall be managed and overseen by the LA Mayor's Office. Further, the procurement of any equipment and services, including trainings and exercises, acquired with Grant funds shall be managed and overseen by the LA Mayor's Office.

III. Term and Withdrawal

The term of this MOU shall expire on the earlier of the termination of the Grant or September 14, 2017. This MOU shall be made effective as to a Participant upon the execution by such Participant of this MOU. This MOU may be modified at any time by written consent of all Participants. Modifications to this MOU shall have no effect unless they are in writing and signed by an authorized representative of each of the Participants.

Any Participant may withdraw from the Program and this MOU at any time by written notification to the Mayor's Office. Any such withdrawal shall be effective 30 days after delivery of said written notification.

IV. Confidentiality

Each Participant agrees to keep all information exchanged or provided through the Program strictly confidential, including any confidential, proprietary or non-public information, or sensitive security information (as defined by 49 CFR Part 1520). The Participants agree to discuss in good faith whether it is necessary or desirable to disclose any particular information, and if so, to whom. In the event any Participant receives a request from a third party for information provided to them as part of the Program, said Participant shall afford the other Participants an opportunity to seek an appropriate protective order. However, in the absence of a protective order and where the Participant is, in the opinion of its counsel, compelled to disclose the information under threat of liability, violation of federal or State law, or contempt or other censure or penalty, disclosure of such information may be made by the Participant.

V. Non-Responsibility

Notwithstanding any provisions set forth in this MOU, nothing in this MOU shall be construed as encroaching upon the sovereign rights, privileges, and immunities of any of the Participants hereto in the conduct of inherently Municipal, State or Federal government operations. Further, nothing in this MOU is intended to conflict with current law, regulation, or the policies and directives of any of the Participants. If any terms and conditions of this MOU are inconsistent with such authorities, the Participants agree to address and resolve the inconsistency in a timely and legally appropriate manner. If the matter is incapable of timely resolution, the inconsistent term shall be deemed invalid, and the remaining terms and conditions of this MOU shall remain in full force and effect. This MOU, in and of itself, does not result in the commitment, obligation, or transfer of funds or other financial obligations among the Participants hereto. Prior to the reimbursement by Grant funds of any expenses incurred by any Participant or the license to any Participant of any equipment purchased through

Grant funds, such Participant shall enter into a contract with the LA Mayor's Office setting forth the terms and conditions of such reimbursement or license.

Each Participant to this MOU will be responsible for its own actions in providing services under this MOU and shall not be liable for any civil liability that may arise from the furnishing of the services by any other Participant to this MOU, and participation in this MOU shall not impose any liability for claims upon any Participant to which it would not otherwise be subject under applicable law.

By entering into this MOU, the Participants do not intend to create any obligations express or implied other than those set out herein. Further, this MOU shall not create any rights in any party other than the Participants.

VI. Miscellaneous

This MOU shall be enforced and interpreted under the laws of the State of California and the City of Los Angeles without regard to conflict of law principles. In any action arising out of this MOU, each Participant consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

In all cases where written notice may be given under this MOU, service shall be deemed sufficient if said notice is deposited in the United States mail, postage prepaid, or by email. When so given, such notice shall be effective from the date of mailing of the same. For the purposes hereof, unless otherwise provided by notice in writing from the respective Participants, the lead personnel to whom all communications and information provided pursuant to this MOU shall be directed are as set forth under the respective Participant's execution of this MOU.

This Agreement may be executed in one or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.
